

SCOTT HURWITZ | SOFTWARE DEVELOPER

New York, NY | 929-216-1772 | hurwitz.scott@gmail.com | <https://github.com/scotthurwitz1>

I recently completed a software engineering internship at Prudential Financial where I applied my Computer Science skills to real-world problems. With a double-degree, I offer both technical expertise and a diverse approach to problem-solving. I'm looking for a development role that values technical expertise and diverse perspectives.

Cloud: AWS Native Services and IaC • **Software Engineering:** Java and Object-Oriented Design, SQL and Databases

▪ **Test Driven Development:** JavaScript with NodeJS, Express, Mocha, and Sinon, Agile with Bitbucket and Jira

▪ **AI:** Python with Pandas and Sci-Kit Learn
